This list is only a guide. All prices are estimates; they may vary due to the complexity of the work and the materials.

All clothing and equipment must be clean.

Sand, dirt, grit and pine needles can damage our sewing machines. If your equipment can't be washed in a machine, please hand wash it or hose it off. If your items are so damaged that washing will damage them further, please contact us prior to the work.

To get a quote for your repairs, send us pictures at noemie.roy@threadtheneedle.co
